

# ASSOCIATE MEMBER PROFILE

## for Service Vendors, Manufacturers & Manufacturer Reps

From time to time, it's important that we update the information we have about our supply chain partners, especially the service vendors, manufacturers and independent manufacturer representatives who provide our association with so much support. The profile that staff maintains about each member helps us to best respond to inquiries that our association receives about the different products and services your company has to offer. **Please use this form to indicate any changes to the information that we maintain, and fax to (312) 464-0091 when complete.**
