2006 MwDA SCHOLARSHIP AWARD RECIPIENTS

The Midwest Distributors Association is pleased to announce the recipients of its 2006 Scholarship Awards:

- **Tony A. Comp**, will enroll at University of St. Thomas in St. Paul, Minnesota and sponsored by Goodin Company in Minneapolis, Minnesota
- **Mitchell D. Neill**, enrolled at University of Minnesota Twin Cities and sponsored by First Supply Group, LLC in Madison, Wisconsin

Applicants were judged in six areas, including academic standing/school status; work experience and extra-curricular activities; community involvement and hobbies/interests; future goals/motivation and fit into the PHCP industry; financial need; and letters of recommendation. The awards are valued at \$1000 each.

The annual MwDA Scholarship Award Program provides MwDA members with a tangible benefit for their employees, and it promotes post-secondary education among its members' employees and their families. Scholarships are awarded to eligible candidates who pursue post-secondary studies on a full-time basis and will use their degree within the plumbing-heating-cooling-piping (PHCP) industry. MwDA is proud to further the educational endeavors of promising individuals that represent the future of our industry.

The response to the annual MwDA Scholarship Award Program demonstrates the desire of many individuals to further their education and the need for financial assistance to do so. In response to this need, MwDA will continue to support and encourage continued education in and surrounding the plumbing-heating-cooling-piping (PHCP) Industry with future scholarships.

Complete information about the scholarship program can be found at www.MwDA.net. Or, for more details, contact MwDA at 312-464-0090.

###

The Midwest Distributors Association (MwDA) represents Region 2 of the American Supply Association (ASA) serving the PHCP and Industrial PVF wholesale-distribution channel in Illinois, Indiana (Lake County), Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, Upper Michigan, and Wisconsin.
